

**1. Identify five UI/design things that work in similar sites**

1. Easy to sign up.
2. Looks neat
3. Contents orientated
4. Clear graphics
5. interactive

**2. Identify five bad/things that don't**

1. Too messy
2. Too crowded
3. Wrong font size
4. Too much/little contents
5. Cannot find navigation

**3. Describe the new client site in one sentence**

The site should be distinctive in terms of its targets and goal. Clear layouts and Easy navigation.

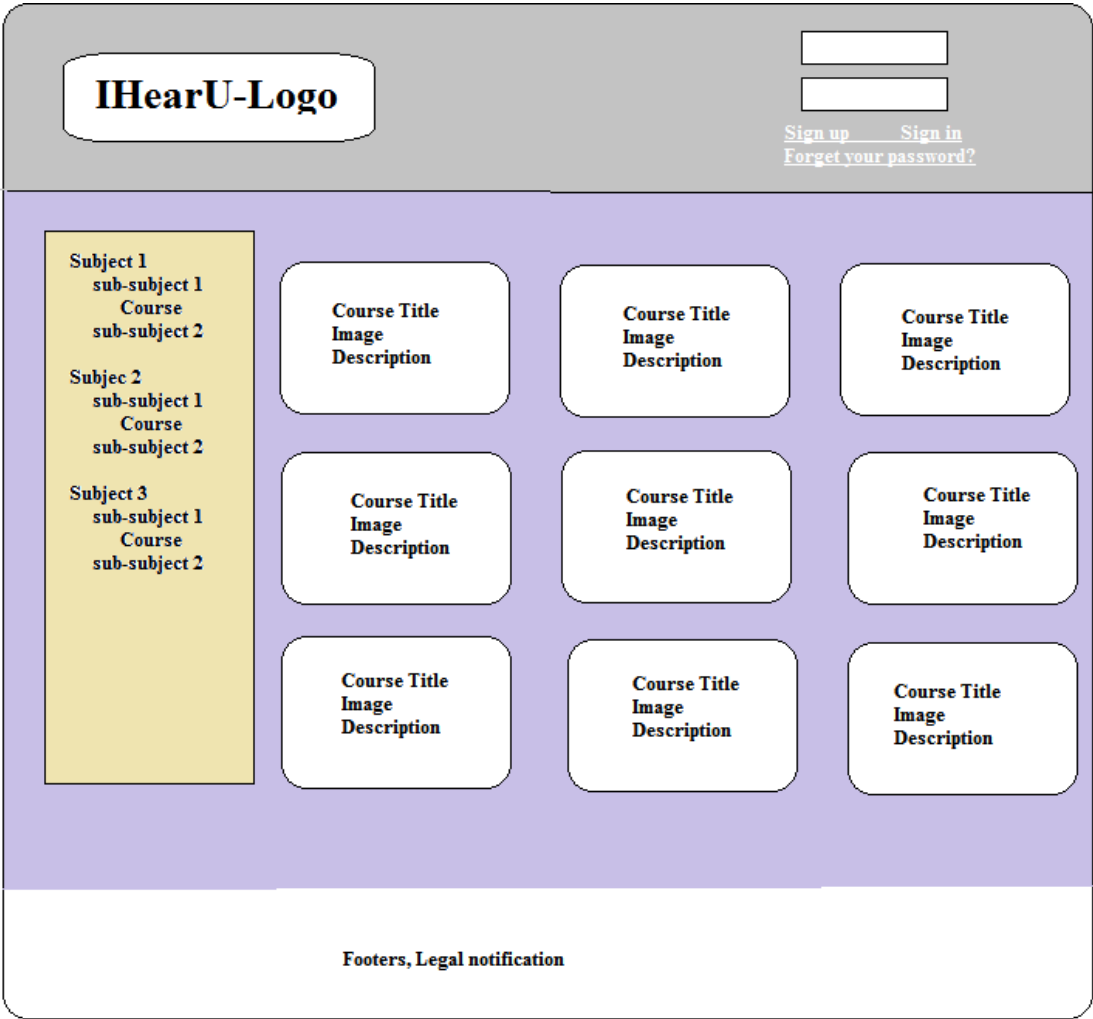

**4. Identify who you feel is the target audience -- different members of the groups can have different opinions on that.**

The target audience will be foreign students who intend to participate in the English learning from U.S. volunteers. Another target audience will be the volunteers. And also future donators.

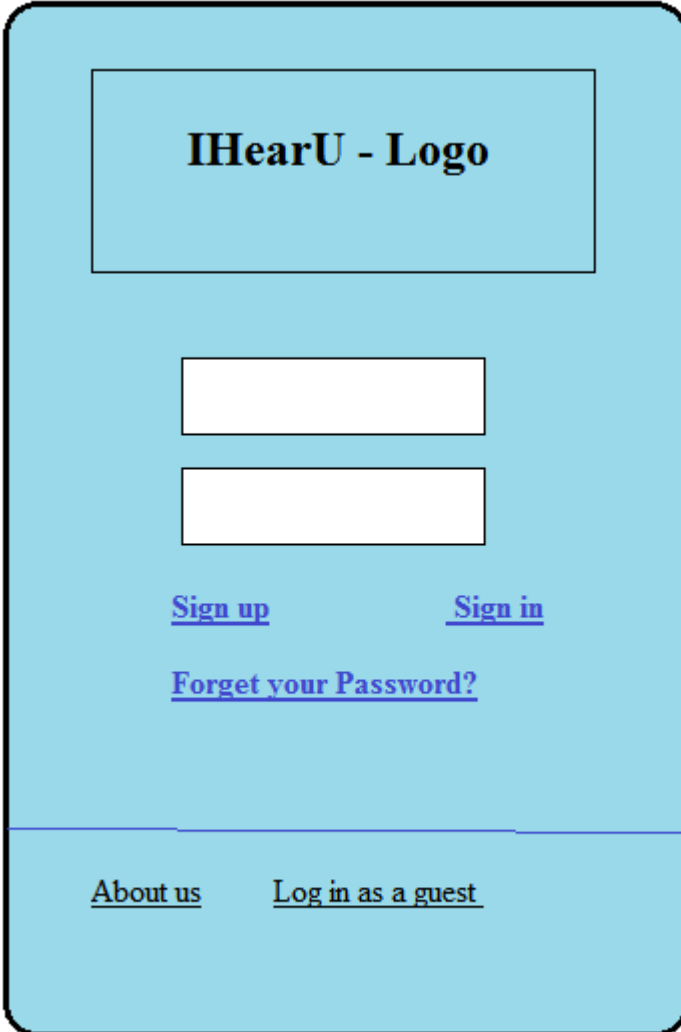

**Benefit of the design**

- Clear of contents,
- Easy sign up and login
- Bright color
- Spacious design
- Very easy navigation of courses

The mobile version

The image shows a mobile login screen for 'IHearU'. It features a light blue background with rounded corners and a black border. At the top, there is a white rectangular box containing the text 'IHearU - Logo'. Below this, there are two white rectangular input fields for email and password. Under the password field, there are three links: 'Sign up', 'Sign in', and 'Forget your Password?'. At the bottom, there is a horizontal line, and below it, two links: 'About us' and 'Log in as a guest'.
